DR. C. W. ROBACK,

Dear Sir:-Last fall my wife had the Liver Complaint so bad she was able to sit up but a few minutes at a time. I had a physician doctoring her for some time, but the medicine he gave her seemed to do her but little or no good. I was advised to get her a bottle of your Bitters, and let her try them, and see if they would help her. So I thought if one bottle would be good two would be better, and I got her two bottles, and when she had taken the last bottle could do most of her house work. I got: her one more which entirely cured her, and she looks the best I have seen her for four years. We
